

VIP 1:1 Faith-Based Mentorship Program

****Structure & Expectations****

****Program Structure****

- Private sessions are held weekly or bi-weekly, based on your needs.
- **Flexible scheduling options to accommodate crises or urgent situations.**
- **Sessions will take place virtually or in person meetings can be arranged.**

****Customized Approach****

- Each 1 or 1.5hr session is personalized to your present challenges and spiritual goals.
- Core areas include identity strengthening, personal faith application, setting tracking, and achieving goals through accountability.
- You will receive resources like spiritual scriptures and personal development exercises which will level up your journey.
- Deep one-on-one mentorship that will discover, address, and heal the areas of hindrances, while building a safe and supportive relationship focused on your faith and life.

****Practical Faith Application****

- Learn to integrate biblical principles intentionally into your daily life.
- Develop habits of prayer, meditation, and Scripture study that strengthen your entirety.

****Ongoing Support****

- Continuous support and accountability throughout the program.
- Access to additional resources within the sisterhood and encouragement outside of scheduled sessions.

****End Goal****

- Develop a strategy to thrive in all areas, spiritual, relational, emotional, and business through wise counsel.
- Manage daily stressors by creating, implementing, and maintaining healthy boundaries to walk in the clarity of your purpose.
